CIVIL Foundation Skill - Plumbing works

★ ★ ★

The Department of Civil Engineering has organized foundation skills for first year students on the topic "Plumbing" on 30thOctober, 2021 from 9.30am to 3.00pm. On hand training sessions were conducted. The students were given many ideas about plumbing work and the methods of the plumbing. Forty of our students have attended the skill training. As its outcome it has been observed students have acquired the ability to perform the plumbing works practically. This Program has been useful for those who attended. The trainings session was led by **Ms. M. Exalin Bibila**, AP/Civil.

Mech – Technical Skill Mechanical Engineering CAD

★ ★ ★

The Department of Mechanical Engineering organized the Technical skill " CAD Modelling " on 23rd November, 2021 from 2.30 pm to 4.30 pm. The skill training was conducted for the second year students on the topic" Editing Tools in AutoCAD". A set of 20 students have attended the skill training to enrich their knowledge. The Technical skill was coordinated by **Mr.M.BALASUBRAMANIAN**. At the end of the day, assessment and evaluation were made for every student.

CNC

The Department of Mechanical Engineering organized the "CNC" Technical skill (Session 11) on the Topic "Point-to-Point and Continuous Path in CNC" on 23rd November, 2021 from 2.30PM to 4.30PM. The skill training was conducted for Third year students. A set of 18 students have attended the skill training to enrich their knowledge. The Technical skill was conducted by **Mr. P.Neopolean**, Assistant Professor/ Mechanical.

On Behalf of Electronics and Communication Engineering Department, a Skill training Program was conducted for ECE students on 23rd of November 2021 on the topic of Electromagnetic wave in 3Dusing MATLAB. The primary objective of this programme was to update/enhance the skills of engineering Students in advanced domains of Information Technology keeping pace with the IT industry. The engineering Students may be exposed to the needs of IT industry so that they can in-turn nurture, educate and mould their skills while they are still in the college. Around 29 students have attended this Training. This Training was conducted by **Mr.M.Asirvatham** AP/ECE.
