CIVIL ENGINEERS!

DEPARTMENT OF CIVIL ENGINEERING

A Wing of SCADCET

HARI SHANKAR C
IV YEAR

BYJU'S The Learning App **6 LPA**

"With the constant support and guidance of faculty members and placement cell, I got placed in Byju's. Our college offers exposure to students through various curricular, non-curricular, and industry-related activities that help them choose their future field or industry. I am grateful to have been a part of such an institution."

BROCHURE

OUR VISION

 To prepare technically strong and socially responsible professionals in the branch of civil engineering by providing vibrant environment with the highest quality of academic programs, training and research activities relevant to the needs of the industry for elevating the status of our country in the global platform”

 The mission is to achieve the vision by creating and maintaining an optimal teaching and learning environment in which students and staff grow professionally.

 Preparing the learners into true professionals by providing them complete knowledge of their chosen area so as to enable them to face challenges ahead confidently.

”

OUR MISSION

CIVIL

SALIENT FEATURES OF CIVIL ENGINEERING

- **Infrastructure to the worth of more than 2 Crores.**
- **Well Equipped and Sophisticated Laboratories and Students are encouraged to participate in inter college Competition, Symposiums, Workshops and seminar.**
- **Internships for all students during the vacation Period.**
- **Guests Lectures and training by leading Consultants, Engineers and Academicians from reputed Institutions.**
- **Regular Industrial Visit to Improve the Practical Knowledge.**
- **Training on Total station (Advanced Instrument Used for Surveying) for One Week by Leading Company from Chennai.**
- **Special Coaching for Students to face Competitive Exams like GATE,UPSE,TNPSC etc.**
- **Indian Institute of Remote Sensing, IIRS, ISRO recognized outreach Network Institution.**
- **Value Added Courses Like AUTO CAD, STAAD Pro, Revit Architecture etc are offered to the students regularly.**
