Mr. K. Peratchiselvan
B.E.

"Education is the most powerful
weapon which you can use to
change the world."

UG Programme

B.E - Electronics & Communication Engineering

PG Programme

M.E - Applied Electronics

Highest Salary Package

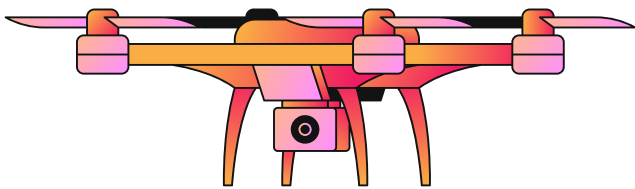

4 LPA

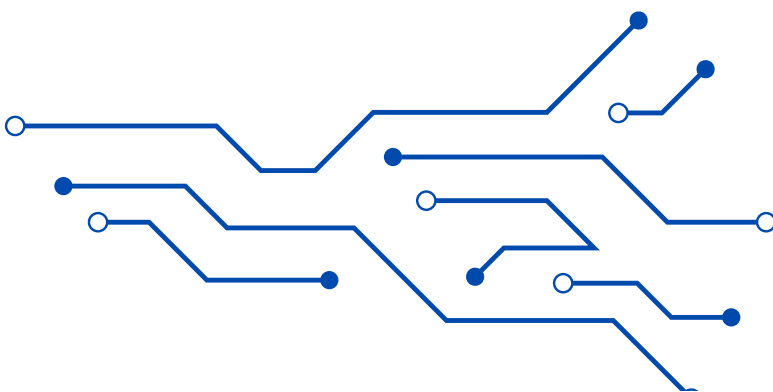

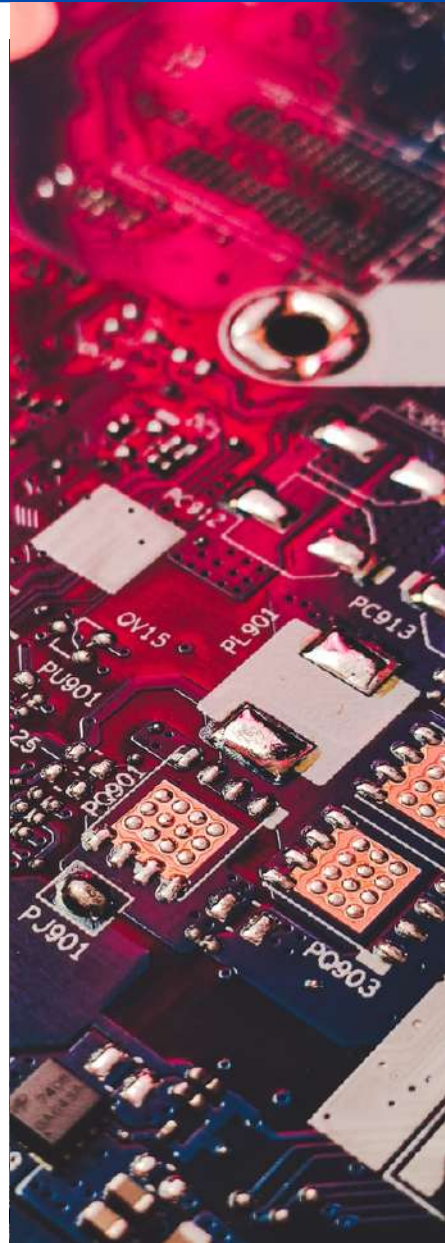

OUR VISION

To tackle the global challenges of the growing century with innovative technocrats.

5G

- ➔ To create a unique learning environment equipped to tackle the challenges in the field of hardware and software with a high professional ethos.
- ➔ To import high-quality education to strive for global challenges.
- ➔ To inspire the students to develop knowledge, innovative ideas and to provide a solution for societal needs.
- ➔ To prepare technically strong and socially responsible professionals in the branch of Electronics and communication engineering.

OUR MISSION

01

- > Highly motivated and experienced faculty members
- > Average experience of faculty is more than 12 years

02

- > MOU with 8 Industries

03

- > 50+ Scopus Publications
- > 40+ Conference Presentations
- > 15 + Patent Publications

04

- > Produced 3 State level Anna University Rank

05

- > Wifi Enabled campus Class Rooms Equipped With Information & Communication Technology Tools

06

- > Qualified Gate Exam Trainers
- > Producing valid Gate scorers every year

07

- > Assured TCS Placements
