Celebrity guest : Mr.R.J.VigneshKanthActor, anchor, YouTuber.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Alumni Interaction

An Alumni Interaction session was organized for Electrical And Electronics Engineering students Er.E. Arumugaraj, (2017-2021 batch) Research and Development Engineer, Precision Engineering, Chennai, interacted with the students about Opportunities for Electrical Engineers in core as well as IT field.He explain about the skills required for the IT field.It was an eye opening session and students felt much better to start their career with essential knowledge and software applications. This session was organized by Ms.J.Y.AngelineJemina,AP/EEE.

Guest Lecture On Renewable Energy

A Guest Lecture on “Renewable Energy” was organized by Department of Electrical and Electronics Engineering on 06.06.2022 from 11.30 a.m. to 12.45 p.m. The guest lecturer was convened by Mr. A. Ferminus Raj, HOD/EEE. The guest lecture was conducted through Google Meet platform and 41 students and 10 faculties were attended. Dr. D. Prince Winston, Professor & Head/EEE of Kamaraj College of Engineering and Technology was the Resource Person. Dr. D. Prince Winston delivered an excellent and clear overview on the different types of renewable energy sources. He validated the need of adopting hybrid energy sources. He gave deep insight on renewable energy and took a question and answer session for 15 minutes clearing the doubts of the students. Dr. M. Palpandian ASP/EEE coordinated the guest lecture.

Congrats to S. Fathima Feronzia and K. Buvaneshwari of Electrical & Electronics Engineering who have won second prize in Circuit Debugging in the national level symposium “EBULLIENTEE 2k22” organized by Nellai College of Engineering.

DEPARTMENT OF CIVIL ENGINEERING
World Environment Day Celebration Report

The Department of Civil Engineering has organized Online Webinar on the topic Only One Earth on the eve of celebrating World Environment Day 2022. The presentation was displayed in Civil Autocadd Lab. The students of Second, Third and Final year actively participant and acquired sufficient knowledge. Dr. S. UMA Post-Doctoral Fellow, of Department of Civil Engineering, from NIT Trichy has been the recourse person. Points discussed.

1. World Environment Day 2022 theme, 'Only One Earth', focuses on living sustainably in harmony with nature
2. 2022 marks 50 years since Stockholm Conference which led to the designation of 5 June as World Environment Day.

The program was coordinated by Dr.S.Gopikumar, Asso Prof / Civil, Prof. R. Sheela Daniel, HOD / Civil, Dr.S.Sundararajan, Principal.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING
Guest Lecture "RF System Design concept"

On behalf of the department ECE a Guest Lecture on "RF System Design concept" held on 6th June 2022 from 11:00 AM to 12:45 PM in CSE Seminar Hall. Dr.G.Renisha Assistant Professor/ECE Department from Government College of Engineering, Tirunelveli has been the resource person. All the third year ECE department students attended the guest lecture. This event was coordinated by Dr.J.Nirmal Jothi AP/ECE.

Developed of a Robot

On behalf of robotics & applied lab, Mr.V. A. Boopesh Prashad & his team from II Year Electronics & Communication Engineering has developed a robot for race with the guidance of Dr.J.Nirmal Jothi, AP/ECE.

Robotics & Applied Lab

We are delighted to announce Ms.M.Suriya Padmasri of Second year Electronics and Communication Engineering has won 2nd prize for presenting a paper titled "Disaster management drone" held at Tamirabarani Engineering college. On behalf of the Management, the Principal, Administrative Officer, Head of the department and faculty members we congratulate for her success.

Student of Robotics and Automation applied lab Mr.V. A. Boopesh Prashad of II ECE has won first prize in Robo war and second prize in Robo race competitions held at Chennai Institute of Technology. On behalf of the Management, the Principal, Administrative Officer, Head of the department and faculty members encouraged for his success.

Faculty Development Program

Dr. J. Relin Francis Raj, HOD/ECE has participated in a 40- hour online faculty development program on "Applications of AI in wireless communication and sensor networks" organised by E&ICT Academy, NIT Warangal and Rajarajeswari college of engineering, Bangalore.

Mass Cleaning Campaign

As per the direction of Deputy Secretary of Government through a letter NO.8053/A1/2022-1 dated 01.06.2022 received by The Commissioner of Technical Education, Chennai,ordering all colleges to organise mass cleaning campaign, the task of mass cleaning was organised in the campus.

In commemorating the Birth Anniversary of the former Chief Minister of Tamil Nadu Dr. Kalaingar M.Karunanidhi on 3.6.2022 the Mass cleaning campaign was organised in the campus of SCAD College of Engineering and Technology. The campaign was coordinated by Mr. Johnsekar, NSS program officer SCADCET, in the presence of Dr. Sundarajan, Principal and Mr. Jeyapand Administrative officer. The main objective of the campaign wad to educate and promote civic sense among students. NSS volunteers and several faculties briefed about the importance of cleanliness. Students were advised to maintain cleanliness, avoid using polyethene and proper usage of dustbins. They were also informed to make the college campus & class rooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy.
