For Innovation and Entrepreneurship

SCAD College of Engineering and Technology witnessed its 17th Graduation Day on 20-01-2024 at Babu Auditorium. At SCAD, Graduation Day is more than just a customary ceremony. It is a day of celebration when we laud all the hard work put in by our students and salute the efforts put in by both our students and faculties efforts that have helped our students emerge as successful engineering graduates.

On the occasion of 18th Graduation Day, the enthusiasm of our graduates was unmatched as they were ushered in the most awaited event of their life amongst their friends and faculties in our college.

The academic procession started at 10:30 am with the Chief Guest Cape Start Associate Director Mr. Sam David along with Chairman Dr. S. Cletus Babu, Dr. J.X. Amali Cletus Babu, Principal Dr. A. Justin Diraviam, Dr. S. Sundararajan, Director-IQAC, Mrs. Anuradha Controller of Examination, SCADCET, Mr. Jeyapandi Administrative Officer and 6 Heads of the Departments were welcomed to the stage.

The graduates were then administered the oath and they promised to work for the betterment of the Nation, pledging to use their knowledge in a socially responsible way. This was followed by the conferment of the degree which was led by the Principal Dr. A. Justin Diraviam.

The graduation ceremony began with an invocation song by the college choir followed by the Tamil Thai Vazhu. A formal welcome note was delivered by the

Graduation Day

principal Dr. A. Justin Diraviam who highlighted the achievements of 2023. He then requested our Chairman Dr. Cletus Babu to declare the 18th Graduation Day open.

The event was next presided over by the chief guest Mr. Sam David who graciously delivered the Graduation Day address. He stressed on various social problems and importance of education, he congratulated the graduates and advised them to utilize the knowledge gained during their collage days for the betterment of society and themselves.

The distribution of degree certificates by the chief guest. The certificates were distributed through chief guest total graduates, whom were presented by the department HODs. A total of 241 Graduates received their degree certificate from the Chief Guest.

Graduation Day

Pongal Celebration 2024

The festival Pongal was celebrated at SCAD College of Engineering and Technology on January 13, 2024. Students and faculty dressed in traditional Tamil Nadu attire for this festival. Our General Manager (SCAD Campus) Mr. R. Thambithurai, Principal Dr. A. Justin Diraviam, IQAC Director Dr. S. Sundararajan and administrative officer, Mr. A. Jeyapandi, presided over this occasion.

Variety of cultural activities were conducted as part of the celebration. Along with this our physical directors Mr. ArumugaNainar and Mr. Oscar also organised uriyadithal, and other activities. Our teaching colleagues honoured the competition winners with Prizes. Our founder chairman Dr.S.Cletus Babu and managing director Mr.C.Arun Babu and Correspondent Mrs. Priyadharshini wished Happy and prosperous Pongal to the professors and students. This event was coordinated by Prof.Vengadasubrmanian, IQAC Admin and Mr. Jeyapandi, Administrative Officer.

"An ounce of patience is worth more than a tons of preaching."

EXCELLENZIA – 2K24

As goodwill initiative towards encouraging the school students the event “EXCELLENZIA 2024” Intelligent hunt was organized at school campus. The event provided opportunities to students of various schools around Tirunelveli district to present their artistic and intellectual talents through various activities. Mr. Mohamed Noupaul of Rose Mary Hr. Sec School, Palayamkottai, has secured maximum points and won the first prize of Rs.10,000/-. The second prize Rs.5000/- was won by Miss. Sivaranjaniof Govt. Hr. Sec. School, Sankarankovil, Mr. Selvendran from, Govt. Hr. Sec. Scholl, Kalakad, who got the third mark and got a third prize of Rs.3,000/-.

Skill Fest and Sports Competitions were mainly conducted as a part of the event. Around 1000+ students from 20 schools of Tirunelveli District participated along with their teachers. St. Ignatius Convent Higher Sec. School of Palayamkottai, has won first place in various events which secured highest points. The second place was won by St. Antony Public School of V.M. Chatram. The students of Kamaraj Higher Secondary School of Pettai were the one to win the third place.

A reward of Rs.10,000/- was given for First place, Rs.5,000/- for second and Rs.3000/- for the third place. Then, cash prizes, certificates and prize trophies to the winning students were distributed later by the General Manager, SCAD Campus Mr. R. Thambidurai, and Dr. S John Kennedy, Director of Admission who also congratulated the winners. The competition was well organized in a grand manner in the presence of Principal Dr. A. Justin Diraviam, Dr. S. Sundararajan, IQAC-Director and Administrative Officer Mr. S. Jayapandi.

EXCELLENZA – 2K24

MoU signed by TECHNOVATION

India's Best Young Entrepreneur

It is a great delight to announce that a MoU is signed with TECHNOVATION on 03-01-2024. This will motivate our students towards their placement. The signing process has taken place in presence of our Principal Dr. A. Justin Diraviam, Dr. Allwyn Kingsly-Gladson, Dean, Training and Placement, Mr. Santhana Krishnan, M-Team Professor and Technovation Managing Director Mr. Keerthi Kumar.

Our college final year student of ECE department Mr. S. KeerthiKumar got awarded as India's Best Young Entrepreneur under Best Business Excellence Award 2023 in collaboration with Youngster Time Association. We are proud on his achievement. The Management, Principal and faculty appreciated his effort.

Mr. S. Keerthik Kumar

Workshop Day - 1

Implementation of Outcome based Education (OBE)

IQAC of SCAD College of Engineering and Technology has organised a two day workshop on "Implementation of Outcome based Education (OBE)". Around 25 faculty members have attended the workshop. On 08-01-2024, Dr.Caroline Viola Stella Mary had been the resource person where she covered CO-PO attainment calculations. She have conducted practical session on the same. Faculties from all domains attended. Initially the session had begun with an introductory note by Principal and IQAC director had introduced the resource person to the participants.

The resource person pitched on CO-PO attainment, fixing the correlation level through performance indicator and analysing and interpreting the attainment levels. The session was called off after the closing note by NAAC coordinator.

"Before everything else,
getting ready is the secret of
success."

Workshop Day - 2

Implementation of Outcome based Education (OBE)

IQAC of SCAD College of Engineering and Technology has organised a two day workshop on "Implementation of Outcome based Education (OBE)". Around 25 faculty members have attended the workshop. On 08-01-2024, Dr.Caroline Viola Stella Mary had been the resource person where she covered CO-PO attainment calculations. She have conducted practical session on the same. Faculties from all domains attended. Initially the session had begun with an introductory note by Principal and IQAC director had introduced the resource person to the participants.

The resource person pitched on CO-PO attainment, fixing the correlation level through performance indicator and analysing and interpreting the attainment levels. The session was called off after the closing note by NAAC coordinator.

The secret of success is focus of
purpose.

Entrepreneurship Development Cell

Department of Civil Engineering

The Department of Civil Engineering organized a program on the topic "Strategiesto convert ideas into innovation" under Entrepreneurship Development cell on 10/01/2024. The purpose of this program was to create awareness among faculty and students of Engineering courses about various facts of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option. Moreover, this program also aimed to bring innovative ideas from the students of Engineering in order to provide a forum for the free and fruitful exchange of ideas and information for becoming an entrepreneur.

Research and Developments

Master Class Participation

The following faculty have participated in a Master Class on The Art of Excellence: "Tips and Tricks for soaring from Personal Success to Professional Achievement" organised by Department of Master Business Administration, MLR Institute of Technology in Association with Exceeds Academy & Research. Their participation is highly appreciated.

Dr. V. Rajalakshmi
HOD/MBA

Dr. K. Clarinda
Asst. Professor/MBA

Ms. S. Santhiya
Asst. Professor/MBA

Mrs. P. Antony Jancy
Asst. Professor/MBA

Research and Developments

The following students of Management Studies have participated in a master class on the The Art of Excellence : “Tips and Tricks for Soaring from Personal Success to Professional Achievement” organized by Department of Master of Business Administration, MLR Institute of Technology in Association with Exceeds Academy & Research. Their participation is highly appreciated.

Publishing the Ground Breaking Paper

We extend our heartfelt appreciation to Mr. R. Santhana Krishnan and Dr. Sundararajan for their outstanding collaboration in publishing the groundbreaking paper, "SENT2BAYES." Their innovative work, blending Word2vec and Multi-Nominal Naive Bayes, significantly advances sentiment analysis in movie reviews on Twitter. Kudos on this remarkable achievement at ICSSAS 2023! besides their paper has been indexed in Scopus, adding another feather to their cap. Congratulations!
