**International Plastic Bag Free Day**

**Personality Development and Influencing Skills**

## International Plastic Bag Free Day

With the intention of spreading awareness and cultivating a sense of collective responsibility towards our planet Earth, our students enthusiastically celebrated the 'International Plastic Bag Free Day' on July 4th, 2024. In way to reduce the reliance on plastic bags eco-friendly shopper bags were distributed to all the students. Initiative aimed to educate and empower the students to become active participants in the mission to reduce plastic waste. This event was organized by Mr. John Sekar, NSS Program officer SCADCET.

### INSTITUTION ACHIEVEMENTS

SCAD College of Engineering and Technology has been Ranked in the Band

**"PROMISING"**

Out of 14,505 Technical Institutions, SCADCET has been ranked one of the top Institutions in India.

4 Star Status by the Ministry of Education, Govt. of India.

For Innovation and Entrepreneurship

### Appreciation for NPTEL

Faculty Competency Achievers Excellence through NPTEL Certifications for the Academic Year 2023-2024.

"Push yourself. Because no one else is going to do it for you."

## Birthday Celebrations

### Our Correspondent

On the occasion of the birthday celebration of our Correspondent, Mrs. Augusti MarysPriyadharshini, SCAD Group of Institutions an official thanksgiving lunch was provided to staffs and faculty. The event started with a prayer song, where all the faculty of SCAD Group have gathered and offered prayer by Dr. John Kennedy, Admission Director. Around 200 faculties of our SCAD Group had gathered for lunch.

### Our Managing Director

On the occasion of the birthday celebration of our managing director, Er.C.Arun Babu, SCAD Group of Institutions, an official Thanksgiving lunch was provided to staff and faculty. The event started with a prayer song, where all the faculty of SCAD Group gathered and offered prayers. Around 200 faculties of our SCAD Group had gathered for lunch.

When you want to succeed as bad as you want to breathe, then you'll be successful.

– Eric Thomas

## Skill Training

### School Skill Training Arch Design

The phase I of foundational skill training - Arch Design started from 01.07.2024. Totally 26 students actively participated in the program who have learned about basic fundamentals about arch design such as model plan, commands used for model plan and Modelling. It was coordinated by Mr. Krishna Sankar V HoD/ Civil and Mrs B. Siva Priya AP/ Civil.

### C Programming

Foundation Skill in C Programming and Scratch For school Students has been organized. Nearly 25 Students from different School has been participated. The Students were taught basics in c programming and Scratch basic code. This session was handled by Ms. ThangaAnushya, Asst. Professor/CSE.

### 3D Printing

Foundation Skill in C Programming and Scratch For school Students has been organized. Nearly 25 Students from different School has been participated. The Students were taught basics in c programming and Scratch basic code. This session was handled by Ms. ThangaAnushya, Asst. Professor/CSE.

### Robotics

The phase I of foundational skill training - Robotics started from 03.07.2024. Totally 30 students actively participated in the program who have learned about how to use tinkercad and create Robotics modelling. It was coordinated by Mr. A. Ferminus Raj, Asst. Professor/EEE and Ms. G. Gifty G, Asst. Professor/ECE.

### Sports Activities

As a part of foundational skill phase - I sports activities were conducted to all school students who visited the campus on 01-07-2024. Around 23 students enthusiastically participated in various events. The events were coordinated by Physical Directors Mr. Oscar and Mr. ArumugaNainar.

You are always a student, never a master. You have to keep moving forward.

## Skill Training

### Interact with School Students

Centre of Training and Skill development provided skill training for School 12th students from 01.07.2024. A total of 118 students participated in Scratch Game, 3D Printing, Arch Design and Robotics Training. The training was coordinated by Prof.R.Santhana Krishnan, M. Team/TSD and Mr.JeyaPandi, Administrative Officer.

Centre of Training and Skill development provided skill training for School 12th students from 18.07.2024. A total of 118 students participated in Scratch Game, 3D Printing, Arch Design and Robotics Training. Dr. John Kenney, Admission Director and Principal Dr. A. Justin Diraviam encouraged the School students. The training was coordinated by Prof.R.Santhana Krishnan, M. Team/TSD and Mr.JeyaPandi, Administrative Officer.

### Three Day Workshop on Personality Development and Influencing Skills Day-1

As a part of Foundational Skill Training for the school students the Three day workshop on Personality Development and Influencing Skills has started at our campus. The main objective of the Workshop was to familiarize the fresher students with emerging ideas and trends on how to develop personality. The programme also aimed to teach students about good manners, communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself for further growth, personally and professionally.

The Day one of workshop was on 29th July which started with a welcome note and inaugural speech by Principal Dr. Justin Dhiraviam and Director of Skill and Training Dr. C.K Ravishankar. Mr.Cliff Marcus Dare of Faywalk Foundation has been the resource person. The session was then handled by the resource person who interacted with a students in a more entertaining and insightful manner. The students enjoyed the day as they were free to clarify may interesting doubts with the resource person. The first day of the workshop came to an end with many positive feedback from students.

You are always a student, never a master. You have to keep moving forward.

## Skill Training

### Day - 2

As a part of Foundational Skill Training for the school students the Three day workshop on Personality Development and Influencing Skills has started at our campus. The main objective of the Workshop was to familiarize the fresher students with emerging ideas and trends on how to develop personality. The programme also aimed to teach students about good manners, communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself for further growth, personally and professionally.

The Day two of workshop was on 30-07-2024. The session was handled by the resource person who interacted with a students in a more entertaining and insightful manner. The students enjoyed the day as they were free to clarify interesting doubts with. Around 105 students have attended the workshop.

### Day 3

As a part of Foundational Skill Training for the school students the Three day workshop on Personality Development and Influencing Skills was successfully conducted at our campus. The main objective of the Workshop was to familiarize the fresher students with emerging ideas and trends on how to develop personality. The programme also aimed to teach students about good manners, communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills for

academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself for further growth, personally and professionally.

The Day three of workshop was on 31-07-2024. The session was handled by the resource person who interacted with a students in a more entertaining and insightful manner. The students enjoyed the day as they were free to clarify interesting doubts with. Around 112 students have attended the workshop.

## Faculty Development Programme

### Three Days Faculty Development Programme on Teaching and Learning Process

#### Day 1

Human Resource Development has organised a 3-day FDP on the teaching and learning process for faculty members who are having less than 5 years of experience in SCAD. The program started with welcome address by Dr. V. Rajalakshmi and prayer by Mrs. Sheela Daniel, overview of the FDP was given by Dr. Sundararajan, M. Team Academics and facilitation address was delivered by Dr. Justin Diraviam, Principal, SCADCET. Day 1 has 4 sessions. The first session has been handled by Dr. V. Rajalakshmi, HoD- MBA and Vertical Head HR- SCADCET on the topic policies and rules of institutions. The second session has been handled by Mr. R. Santhana Krishnan, Skill - M Team Prof. on the topic Skill and Applied lab. The third session was handled by Mrs. R. Sheela Daniel, Vertical Head - FAP on the topic of the Faculty Action Plan. The fourth session was handled by Dr. S. Sundararajan, Academics - M. Team Prof. On the topic Academic regulations and procedures. At the end of the first day, the participants learned about the institution's policies, skills and applied lab in the SCADCET, FAP key components and academics regulation 2021 in detail.

## Faculty Development Programme

The program started with a welcome address by Dr. V. Rajalakshmi, Vertical Head HR-SCADCET, General Manager (Development) Dr. Jeya Kumar. K, was honoured by our principal. The first session on “Good to Great a paradigm Shift” was handled by Dr. K. Jeyakumar, GM(D) which was motivating and inspired by the faculty members. The remaining sessions were handled by Dr. Caroline Violin Stella Mary, ERP - Head, SCAD Group of Institutions. She was honoured by Dr. Sundararajan, M-Team, Academics. Dr. Caroline clearly explained about ERP functions.

### Day 2

The program started with a welcome address by Dr. V. Rajalakshmi, Vertical Head HR-SCADCET, General Manager (Development) Dr. Jeya Kumar. K, was honoured by our Principal. The first session on “Good too Great a paradigm Shift” was handled by Dr. K. Jeyakumar, GM(D) which was motivating and inspired by the faculty members. The remaining sessions were handled by Dr. Caroline Violin Stella Mary, ERP - Head, SCAD Group of Institutions. She was honoured by Dr. Sundararajan, M-Team, Academics. Dr. Caroline clearly explained about ERP functions.

### Day 3

The program started with a welcome address by Dr. V. Rajalakshmi, Vertical Head HR-SCADCET, Admission Director Dr. John Kennedy K, was honoured by our Dean Academics Dr. S. Sundararajan. The first session was on the topic “How to be a good teacher?”. Our Admission Director motivates and inspires the young teachers. The second session was handled by Dr. A. Justin Diraviam, Principal, SCAD-CET on the topic “Mentoring Systems”. He ignites the young teachers to be good mentor. The program ended with a vote of thanks and feedback link shared with the faculty members.

## Research and Developments

### Innovation Ambassador Training

Dr. Haribabu, Professor/Mech, Dr. Anand J Dhas, Asso. Professor/ECE, Mrs. A. Pitchi Rani, Asst. Professor/CSE, Ms. R. Beryl En Bink, Asst. Professor/Maths, Mrs. S. Margaret, Asst. Professor/CSE, Mrs. ArunPriya, Asst. Professor/CSE have undergone an Innovation Ambassador (IA) training 'Foundation Level' (Total 16 Sessions of 30 contact hours) conducted in online mode by MoE's Innovation Cell & AICTE. Their participation is highly appreciated.
